

Verandas, Carports, and Canopies

THE SIMPLICITY SERIES

Simplicity 6

The Simplicity 6 is a stylish veranda, canopy and carport system that is glazed with a choice of 6mm toughened glass or 6mm solid polycarbonate.

With elegant posts and optional glass roofing, this product offers you a deluxe canopy or veranda at an affordable price. By featuring the option of glass roofing, the Simplicity 6 offers improved acoustic properties – reducing the noise of rain drops during a downpour; these glass panels also provide a sparkling finish which is easy to maintain, particularly if you choose the self-cleaning glass.

All framework is constructed from durable aluminium, with the option to powder coat the structure to any RAL colour or BS colour of your choice.

The Simplicity 6 is the perfect veranda solution for domestic gardens and provides effective and stylish cover from

the weather for al fresco dining and garden parties.

With a span of up to 3.2m (3.1m for the glass option) from its supporting wall, and an unlimited length you will have a solution that can be adapted to suit your exact needs.

The Simplicity 6 comes with a full 10 year guarantee and a 25 year life expectancy, making this a real investment that you will be able to enjoy for many years to come.

Features & Benefits

- **Full 10 Year Guarantee** – The Simplicity 6 is supplied with a full 10 year guarantee and a 25 year life expectancy for the canopy frame
- **Choice of Glass or Polycarbonate** – Choose to have the Simplicity 6 covered with either 6mm solid polycarbonate, 6mm toughened glass or 6mm toughened, self-cleaning glass
- **UV Activated Self-Cleaning Glass** – The 6mm self-cleaning toughened glass has a UV activated special coating that is applied during manufacture that breaks down organic dirt which is then washed away by the rain. Only a small amount of UV is needed to activate the special coating so that your canopy remains clean even on cloudy days
- **Toughened Glass** – Both glass options are toughened during manufacturing and achieve Class 1 BS EN 12600 for impact performance
- **Polycarbonate** – The 6mm solid polycarbonate is vandal and shatter resistant
- **Low Maintenance** – All roof options are low maintenance, particularly the self-cleaning glass, which means less cleaning is required, saving you time and money
- **High Light Transmittance** – All roof options offer high light transmittance
- **Available Projections** – Up to 3.2m with a polycarbonate roof and 3.1m with a glass roof
- **Simple Fixing System with Minimal Parts** – For a simple and speedy installation
- **Low Profile** – The Simplicity 6 can be fitted in height restricted areas
- **Integral Aluminium Guttering** – Creates a sleek, modern design which is stronger than external guttering systems and saves time on installation
- **Wide Range of Colour Options** – The aluminium frame can be finished to any BS or RAL colour - see page 11
- **Victorian Upgrade** – Available with the Victorian Upgrade – see page 10
- **Infrared Heaters** - Add Wall Mounted Infrared Heaters to your veranda to create a warm and cosy atmosphere - see page 10.

THE SIMPLICITY SERIES

The Victorian Upgrade

The Simplicity 6

The Simplicity 16 and 6 carport and veranda systems are available with the Victorian Upgrade which enhances these structures with ornamental post sleeves and gallows brackets.

The Victorian Upgrade will transform your carport, canopy or veranda into an ornate and beautiful shade and shelter structure that will enhance the exterior of your building.

This elegant upgrade creates the ultimate high class finish and is ideal for period buildings and houses, enhancing the exterior and adding extra character and enabling the structure to fit in with your home or building as if it was built at the same time. It can also offer a unique contrast for more modern style buildings too.

The Victorian upgrade is easy to install and can be coloured to any RAL or BS colour to match current aesthetics.

The Victorian Upgrade kit includes decorative gallows brackets and post sleeves that are made from aluminium to match the Simplicity carports and verandas and can be coloured to any RAL or BS colour.

Features & Benefits

- Create a unique style statement with your canopy or carport
- Ideal for making your carport or canopy blend in with your house style, or for creating an attractive contrast
- Can be coloured to any RAL or BS colour code.

COLOURS AND FINISHES

All of the Simplicity Series carports, canopies and verandas are supplied in white as standard, however they can be coloured to any RAL or BS paint code.

This means that we are able to match our structures to your existing colour scheme such as window and door frames, enabling our Simplicity Series to blend in with your home or building seamlessly.

As there are so many colours to choose from, our carports, canopies and verandas can also be finished in a contrasting colour so that they create an impressive and striking feature of your property.

Features & Benefits

- Create your own bespoke structure with a unique colour finish
- Match your carport or veranda to your existing window and door frames
- Wide range of colours – we can match any RAL or BS colour
- Turn your carport or veranda into a stunning feature.

Testimonial

"You were competitive in price range and specialised in veranda and canopies. There was a good choice of colours and in the end we got an exact match to the windows and door frames which is what we required."

The installation was carried out to a high standard and the installer was very professional with attention to detail and everything was left clean and tidy on completion.

The veranda has made a big difference to our property and it has created a great outside space all year around. In warm weather it's great for eating outside and to entertain and in cooler or wetter weather can still be used to sit outside in the garden with some shelter."
